Community Drives Us Nonprofit Partnerships

We founded Rowbust Fitness because we believe that rowing is about much more than looking your best — it's about being your best. As such, we're proud to partner with select nonprofit organizations to offer member-driven donations. Learn more below and find out how you can get involved.

HOW IT WORKS

We're on a mission to create a better future through better fitness. It's simple: Every time a new member signs up, we'll donate a portion of that membership to one of the nonprofits listed below. Ready to help us row for a reason?
